Spanish (Native)

Knowledge of Latin.

HOBBIES & INTERESTS

- Yoga
- Sports: Particularly running & swimming
- Travel: Traveling to different countries to experience new cultures.
- Reading

PATRICIO VILLANUEVA

ACTUARY / DATA SCIENTIST

PERSONAL PROFILE (LIVING IN MILAN)

I am a pro-active person, very good for teamwork, flexible, with great analytical capacity and high adaptability to changes. Someone who enjoys learning every day, sharing my knowledge and new challenges.

That is why I am always looking to get out of my comfort zone and thus be able to grow.

I have always had a passion for mathematics and technology. Therefore I try to combine these passions with my work. In addition, I seek to develop as a non-traditional actuary. Furthermore, I found my passion for analysing data and achieving an added value using them.

WORK EXPERIENCE

Data Scientist, Digital House

Buenos Aires, Argentina | Sept 2019 - Dec 2020

- In charge of the creation of a data lake and a data warehouse for all the flows of information (CRM, APIs, Internal systems).
